

HENRY MOSS ELECTED PRESIDENT OF NEXT YEARS FRESHMAN CLASS.
JERRY JONES VICE-PRESIDENT AND LAURA PARKER SEC. AND TREAS.

FACULTY DINNER

Monday May 18 the Prep High Faculty held their annual dinner at Sea Haven on St. Simons Is. Mrs. Barone gave a talk on how she felt about being a first year teacher at Prep High. Mrs. Wood spoke on adding another year and Miss Durham gave the Prophecy:

Won't you gaze into the crystal ball
 And take a look with me
 At the Prep High of the future
 In 1983

The halls are very quiet
 Since the buses haven't come yet
 They make the trip in sixty seconds
 For they're now propelled by jet

The teachers aren't around much
 And they've lots of time to spare
 Since they teach by television
 And go back and forth by air

There are also people missing
 For a reason I should mention
 They have gone to Mars or Venus
 To the GEA Convention.

Now they rush to clear the runway
 Nothing must be left to block it

GRADUATION

The Eighth Grade of Prep High will graduate Thursday night at eight o'clock in Memorial Auditorium.

The Graduation Speeches on the Subject of "What We Believe In" will be given by Hamlin Boswell, Martha Ann Hood, Jimmy Bruce, Christine Culpepper, Laura Parker, Beth Smith, Patricia Griffin, Fearn Milner and Kenneth Thompson.

The Glee Club will sing several selections. Mr. W.A. Whittle will give the certificates to the graduates.

PROPHECY (continued)
 Mr. Warren's just arriving,
 In his super-sonic rocket

There's an old grey-bearded workman
 Speaking to him at the door
 He says, "Let me tell you something"
 That I should have said before

Since we started on this project
 Many years have passed us by
 But today we put the roof on,
 We have built the New Prep High!"

HAPPY SUMMER HOLIDAYS TO
 YOU ALL.

HAIL AND FAREWELL 8th GRADE

We Dedicate this copy of
the PREP PRESS to you....

We'll miss you

Don't forget us

Good Luck !

FAREWELL EIGHTH GRADE.

It seems like a very short time ago when you and I came to Prep High School together back in September of 1951. I think that these two years have been about the shortest years of my life. I have enjoyed them and I have enjoyed knowing and working with you. I feel that most of our eighth grade students have been as cooperative and pleasant to work with as any group could have been.

Farewell is a word that can bring joy or sorrow to us, depending upon the associations that we have had with the person or group of people that we are bidding farewell. The saying that some people cause

happiness wherever they go, others whenever they go is certainly true. We should try to conduct ourselves in such a way that our presence will be appreciated. I am sure that most of our boys and girls have grown and developed a great deal during these two years. You have doubtless made many mistakes but you have probably been able to use the mistakes as stepping stones to progress and development.

You have been our leaders during this year and I know that we will miss you when school starts this fall. However we are all interested in your welfare and we will be keeping our eye on you. I am sure that many of us will feel some pride over your accomplishments in the future.

We think you are a fine group of boys and girls and we believe that in a few years you will be doing a good job of carrying on the affairs of your community, state and nation.

The faculty and the seventh grade would like to take the opportunity here to thank you for the many things that you have done for us during the year and to wish you the best of luck in the future.

James A. Warren

I SHALL NOT PASS THIS WAY AGAIN

Through this toilsome world,
alas!

Once and only once I pass;
If a kindness I may show,
If a good deed I may do
To a suffering fellow man,
Let me do it while I can.
No delay, for it is plain
I shall not pass this way
again.

From An Ancient Prayer

....Give me a sense of humor,
Lord; give me the grace to
see a joke, to get some happiness from life and pass it on to other folk....Webb

GRADUATION.

It was not so many moons ago
In Prep High every day,
That some seniors worked, as
they must, you know
In a frantic, breathless way;
And these seniors lived with
no other thought
But to pass on Commencement
Day!
Other students, not half so
wise, of course
Were envying them every one
And that is one reason they
struggled so hard
To finish what they had begun.
And the Powers-that-Be pushed
with mighty force
Til their Prep High work was
done!

Now the moon never beams with-
out bringing them dreams
Of the wonderful students
they are,
And the stars never rise, but
they think just how wise
They have been to have climb-
ed up so far;
Daytime and night time they
dream in their pride
Of their greatness...and good-
ness as no class beside,
Ever had when they passed..(so
they say)
To the High School across the
way.
