

# Pediatrician Joins Local Practice

Joining the medical community here in the practice of pediatrics is Douglas A. Bruce, M.D.

Dr. Bruce, son of the late J. Robert Bruce and Mrs. Catherine Bruce of St. Simons Island, has returned to his family's island homeplace, Oatlands, where he now resides.

A 1960 graduate of Glynn Academy, Dr. Bruce completed his undergraduate work at the University of Florida in Gainesville and received his medical degree from the University of Florida School of Medicine.

Internship was served at the Medical College of Georgia in Augusta and pediatric residency at the University of Virginia in Charlottesville where he chose to train extensively in the area of pediatric allergy.

Dr. Bruce has recently moved here from Memphis, Tenn., where he has served two years as a pediatrician at the United States Naval base.

He is now associated with Dr. Richard M. Fix in the practice of pediatrics with offices at 2705 Wildwood Drive.
