Dear Mr. Bruce,

My name is Aimee Bruce, I'm currently doing genealogical research on my family, focusing right now on the Bruce line. Through my research I have found that my great grandfather was brother to James LaFayette and uncle to Edward Cecil (see chart), who purchased East Beach, St. Simons Island.

What I'm hoping is that you might have some information on James LaFayette, Silas Jordan, their brothers and sisters, their parents, James and Annis, and their parents, etc. All I know of James and Annis is that they were born in North Carolina (found in a census). As I said, I'm after any information, no matter how much or how little, including that actual line, but also anything that might give a glimpse of who the people were, what they did for a living, for fun, etc.

I am including a self addressed, stamped envelope for your use. If you don't have any information but know someone who does, please pass this along.

I thank you and appreciate your assistance.

Sincerely,

Aimee L. Bruce

Dear Mrs. Alexander

I was given your name by Betty Fendig. She was responding to a letter I had sent to the various Bruce's of Brunswick and St. Simons Island, GA. I'm doing research on the Bruce family. I came to a dead end in the research however I also found a connection with some of the Bruces of Brunswick and St. Simons Island. My great-great grandfather was an uncle of Edward Cecil Bruce (see chart). I have not been able to find any information on my 3x great-grandparents, James + Annis Bruce.

Betty said that she thought you might have some papers or information on the Bruce line. She said that your mother was into genealogical research and visited many graveyards and county courthouses all over NC, SC, GA.

I'm looking for any information on our Bruce line, including the actual lineage but also something about the people - who they were and what they did, etc. I'm going to Scotland on Sept 19 on a Bruce Guard Reunion tour. Part of this tour is an offer for them to do research on the ancestor who came over from Scotland if I know who it was, when they came over, etc.

I'm enclosing a self-addressed stamped envelope for your use. Also, my phone # at home is 904-282-7065, work # 1800 937-9285 ext 81630, and the fax # at work is 904 828-1620.

I thank you for your time and assistance in this matter.

Sincerely,
Ailee Bruce

Dear Miss Bruce:

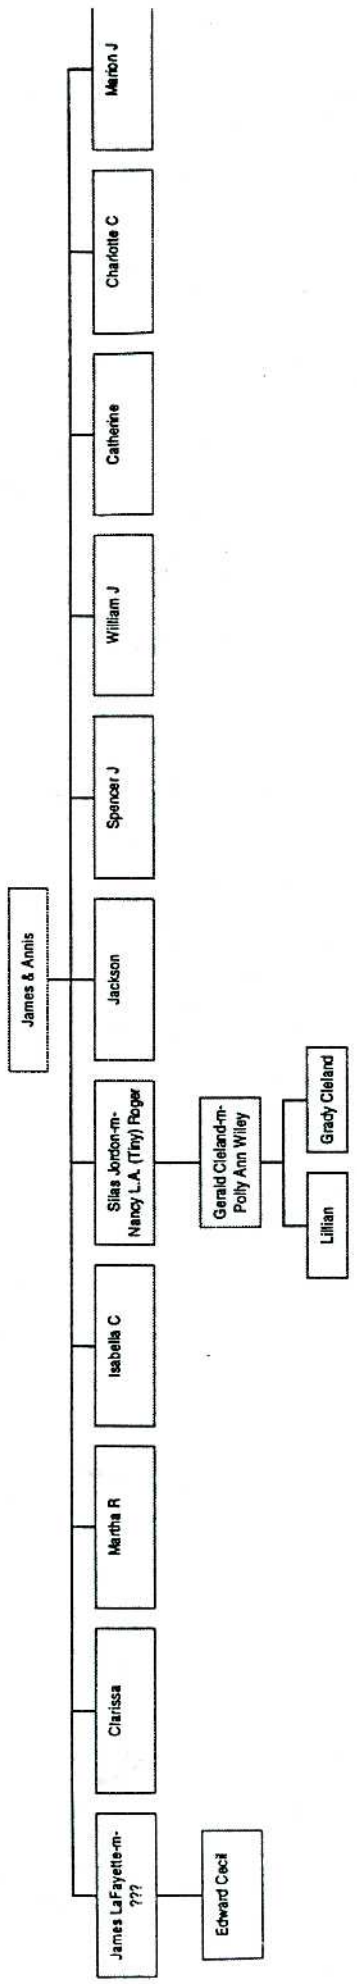

I was glad to find your letter when I returned from a short trip yesterday and am delighted to know you are working on the Bruce line.

I enclose some notes my mother made when she was working on the family. I hope they will be of help -- will at least give you some leads. I suspect there are more data more accessible than when she was working.

I know you will enjoy your trip to Scotland, and I hope it will produce more information on the family. Needless to say, I will be very happy if you found something, and look forward to hearing from you after your trip.

Sincerely yours,

(Mrs. A. B. Alexander)

Grady Cleland was my grandfather.

Silas and Nancy had 13 other children.

James L. was a witness at Silas's wedding (1/27/1867)

I don't know if this list includes all of James & Annis's children or if I've duplicated some of the children (i.e. went by their middle name at another census).
